[the quality of being holy,
sacred, or set apart. Deserving
of great respect]

Every life is precious,
fearfully and wonderfully
created in the image of God.

49 years ago, the Supreme Court legalized abortion at any stage of pregnancy for any reason. As you know since that date over **62 MILLION BABIES** have lost their lives to abortion – and their moms and dads have lived with the impact of that choice. **SOUTHSIDE PREGNANCY CENTER** exists to spread God's grace to those most vulnerable to abortion, offering **HOPE & HELP** by ministering to the physical, emotional, and spiritual needs of our community.
