DIAPER DRIVE

HELPING LITTLE BEHINDS GET A LITTLE AHEAD

DIAPER DRIVE

WHAT IS DIAPER NEED?

DIAPER NEED IS THE STRUGGLE TO PROVIDE BABIES WITH CLEAN, DRY DIAPERS

THERE IS A GROWING PROBLEM...

AND, IT HAS A NEGATIVE IMPACT ON MOMS AND CHILDREN...

\$18 /wk

\$936 /yr

Diapers cost \$18 per week, or \$936 per year, on average per child; Babies need 6-10 diapers a day

1 in 3

U.S. moms suffer from diaper need

Diaper need is even more distressing to moms than not having enough food for their family

Women with diaper need also reported more difficulty with stress management, depression and coping with trauma - which can negatively affect a child's health and development

Children in soiled diapers are exposed to greater health risks
